

Buyouts and Credits

Buyouts Fundraising, including running swim meets, is a critical part of running a successful swim club, and is a requirement for full-year members (competitive, masters, waterpolo). But sometimes members just can't participate, for a number of reasons. For those who can't help out with ROC's fundraisers and swim meets, we offer a "buyout" option.

- Fundraisers - \$100 each to buy out of your fundraiser commitment

- Swim meets - \$50 each to buy out of your swim meet commitment

Credits are available to help offset your swimming costs. Every time you help out the Club by going that extra bit, we will try to help you out as well.

- Officials credentials (\$25 credit for each new level)
- Working a third, fourth fundraiser (\$50 credit each)
- Working a third meet (\$50 credit)
- Bring a Buddy (who signs up) (\$25 credit)
- Secure a sponsor (get 10% of value of sponsorship credited to your account).
- ??? Your idea. Something else you'd like to Board of Directors to consider worthy of a credit
