

Clarington Community Services Recreation Activity Survey Clarington Fitness Centre

In June 2014, the Clarington Fitness Centre closed its doors for an exciting renovation. Highlights of the work being undertaken are the addition of a family change room, activity room, barrier-free accessibility, an elevator to the second floor, and upgrades to many areas of the building.

Renovation features of the pool area include: interior renovation of the pool area including new wall coverings, new deck tiles, new lighting, additional viewing onto the deck from an expanded front lobby as well as on the second floor overlooking the pool; replacement of pool filtration system while maintaining the existing chlorination system; new pool and whirlpool water heating systems; re-tiling of the whirlpool and mechanical and electrical upgrades throughout.

Areas that will remain unchanged include squash courts, and size/shape/depth of the pool tank itself.

In order to assist us in our planning and program delivery for the re-opening of this facility (anticipated late spring/early summer), we are looking for your input.

Instructions:

1. The survey is for residents of Clarington only.
2. The survey will be active until February 20, 2015.
3. The survey will take about 5 minutes to complete.
4. Anyone completing a survey, and who provides their name and telephone number/email address will be entered into a draw for an annual Family Swim/Skate/Squash Membership.

Confidentiality:

Your participation in this study is voluntary. All individual responses will be kept confidential and will be reproduced in summary form only. The results of this survey will be used for the purposes of this study only.

Should you have any questions, please direct your inquiries to Tracey Leonard, Aquatic Coordinator (905-987-5667 ext. 225)
